**Recording Secretary** (Dick Martin): Not Present

### **Membership Secretary** (Jung Hong):

Membership renewals are proceeding on schedule with about 50% of the membership renewed so far.

Jung and Marv will try a new work-credit coupon program.

New combo put on locks.

Orientation materials were given out to those who do orientations, a short orientation training briefing was given.

**At Large Officers:** Mell reported renewed interest in the Land Transfer situation. September 2009 is the new date for the Rendija Canyon parcel transfer from DOE to LA County. The county will do a costing survey for development of the canyon. They “have” to do one even though the majority of residents want the land reserved for recreational use.

### **Old and New Business:**

#### Senior Olympics:

The LA Senior Olympics complimentary membership was approved for renewal.

#### Spring Clean-Up:

Spring clean-up is April 26. All Board Members, Section Heads, and anyone who wants a particular

project completed needs to send in a list of tasks to Marv. In addition, any required supplies for those tasks need to be specified. A “pre-Clean up day” organizational meeting will be held to make sure all tasks are listed and supplies are purchased.

Capital Improvements:

Steve is going to get an insulated rollup door for the indoor range.  
50 tons of crushed concrete have been delivered.

**Section Reports:**

**Pistol** (Toran Maynard): Toran walked the pistol ranges down with Cowboy Action, IPSC, IDPA, Bullseye, and LAPD representatives. Improvement projects were discussed and plans have been initiated. All shoots have been going well and turnouts are increasing.

**Rifle** (Mell Smithour): The last JC Garand match will be held 4/13. After this match, the regular high-power match schedule will resume.

**Shotgun** (Ed Bush): Shooter turnout was low last month due to the weather. However, activity is picking up.

Respectfully submitted,

Ken Laintz
